Welcome to the NEW academic year at QUEEN OF ALL SAINTS School!

Thank you for selecting Queen of All Saints School as your school of choice. The faculty and staff of Queen of All Saints School are looking forward to working with you and your child(ren) this coming school year to enhance their Catholic education.

The purpose of this handbook is to assist the Queen of All Saints School family with a quick reference guide to questions concerning Queen of All Saints School. The handbook is not intended to answer all questions, which may arise throughout the school year. The handbook outlines specific policies and procedures, which provide for the operation of the school, academic excellence, safety, and the creation of a Catholic Christian environment. Please review the general guidelines prior to the beginning of the school year and reference it regularly throughout the school year.

If changes are required during the school year, you will be notified in writing via a parent letter and/or the school newsletter.

QUEEN OF ALL SAINTS SCHOOL MISSION STATEMENT:

To learn, to serve, and to love in Jesus' name.

QUEEN OF ALL SAINTS SCHOOL VISION STATEMENT:

Anchored in Christ's Legacy

DECLARATION ON CHRISTIAN EDUCATION FROM VATICAN COUNCIL II:

"Since parents have conferred life on their children, they have a most solemn obligation to educate their offspring. Hence, parents must be acknowledged as the first and foremost educators of their children. Their role as educators is so decisive that scarcely anything can compensate for their failure in it. For it devolves on parents to create a family atmosphere so animated with love and reverence for God and men so that a well-rounded personal and social development will be fostered among the children. Hence, the family is the first school of those social virtues which every society needs."

Welcome to our school family. It is time to *Be Anchored in Christ* in everything we do, think, and say.

GENERAL INFORMATION

ELECTRONIC DEVICES:

If a parent allows the student to bring electronic devices to school, the school will not be held liable if it is stolen, lost, or damaged. Students will turn in their electronic devices in the morning and the students can use them when needed. If a device becomes disruptive in the classroom, their teacher may take the device away at their discretion. If the student refuses to surrender the device, the student will immediately be sent to the office, the parent will be notified, and the device will be returned to the parent.

BIRTHDAYS:

Treats may be brought in for celebration by the whole class and should be something that can be delivered to the classroom prior to the start of school. Treats should be limited to a simple snack such as candy, cupcakes, brownies, etc. Also, please be sensitive to any allergies that your child's teacher may share with you.

Parents and students are reminded that invitations to a private home party (such as a birthday party) may only be distributed in school if every child in the classroom receives an invitation.

BOOKS:

Textbooks remain the property of Queen of All Saints School. Hardbound books need to be covered and are to remain covered throughout the school year. **No self-adhesive book covers are allowed.** Lost or damaged textbooks are the responsibility of the individual student. Fees will be assessed before the end of the school year for any lost or damaged books.

BROWN ENVELOPE:

Every Thursday during the school year, parents/guardians may expect the traditional "*Brown Envelope*" which will be brought home by the oldest child in each family unless it is requested that the information be sent home with another sibling. The "*Brown Envelope*" will contain pertinent information from the Principal, as well as various associations within Queen of All Saints School. A school newsletter will be sent home at least every week. Parents must sign and return the "*Brown Envelope*" by Monday of the following week. Parent signature indicates that the "*Brown Envelope*" was received.

CHANGE OF CONTACT INFORMATION FOR EMERGENCIES AT SCHOOL:

Please notify the office immediately if your current address or primary phone number has changed to facilitate ongoing communication.

- If a student becomes too ill to remain in school, or is injured and needs medical care, the parent/guardian is immediately notified. If a parent is unavailable, the person(s) indicated by the parent/guardian to call in such an emergency will then be contacted. (Guardianship refers to the legal relationship between an adult and a child. In order for an adult to be considered "Legal Guardian" of a child, court papers are required.)
- Students will only be released to parents or guardians as listed on the emergency section of the Registration Form. In addition, the parent or guardian must come to the office to sign the student out of school.

CLASS FIELD TRIPS:

Class field trips are a privilege afforded to students. No student has an absolute "right" to attend a class field trip. A student may be denied permission to attend a class field trip if they fail to meet behavioral requirements or if academic assignments are not completed. This includes the 8th Grade trip to Washington, D.C. and 4th Grade trip to Indianapolis.

- A parent/guardian must complete, sign both sides, and return a field trip permission slip requesting that Queen of All Saints School take a student on a field trip/class trip. **No student may go on a field trip/class trip without the *written* permission of the parent/guardian. A phone call is not sufficient permission.**

- Those students who do not go on a class field trip are expected to attend school on the day of the trip. Classroom work will be provided for those students.
- Parent drivers are responsible to drive the students directly to the location and back without any additional stops.
- Volunteers must have a current volunteer driver form on file in the office and have completed Virtus training.

CLASSROOM PARTIES:

Classroom holiday parties will happen periodically throughout the year. They will be scheduled on the school calendar at the beginning of the school year. These parties are organized by the room parents. Your participation is needed and greatly appreciated. Contact the room parents to find out how you can help.

CLASSROOM VISITS/CONFERENCES/PARENT-TEACHER COMMUNICATION:

Parents/guardians wishing to observe or visit a class for a period of time are welcome to do so. The classroom teacher must be contacted in advance and arrangements may be made for an appropriate time.

Queen of All Saints School welcomes parents/guardians, and is interested in arranging formal and informal parent-teacher conferences. When a parent contacts the teacher, a response will be initiated within twenty-four (24) hours. If a parent/guardian has a concern regarding a student's academic or social growth, the parent/guardian should request a conference with the teacher(s) involved. If the matter has not been satisfactorily resolved, the parent/guardian should then request a meeting with the Principal. School faculty and staff welcome your visits, communications, and suggestions.

Formal conferences may be held throughout the school year. Teachers look forward to establishing a relationship with the parents so they can work together to help increase student success both in the classroom and at home. It is important that parents attend these conferences.

EMERGENCY DRILLS:

Fire evacuation, severe weather, and other emergency drills will be held throughout the school year. Practice drills provide opportunities to become familiar with necessary procedures. Quiet and order must be maintained during these drills. Volunteers and/or visitors will be instructed to follow the same procedures.

EXCESSIVE HEAT:

Children are in air-conditioned classrooms and other areas at QAS. However, in the case of severe heat, these policies will be in effect:

- Students will be allowed to carry water bottles and fountain breaks will be encouraged.
- Recess may be cut short or may be held inside

FOOD AND BEVERAGES:

- No gum is allowed on school property during the school day or during after school activities.
- Individual teachers will create policies that address whether students may bring food and beverages into the classroom.

KINDERGARTEN BIRTHDATE CUTOFF:

The deadline for Kindergarten and the Kindergarten voucher is age 5 by August 1. This gives your child every advantage to be successful in school now and in the future.

LIBRARY POLICIES:

- Students come to library once a week. Books are checked out every week except prior to holiday breaks.
- If an overdue book is not returned, the child in grades 1 - 8 will not be allowed to check out another. Books must be returned by the end of each quarter or the family will be charged for the book.

LOCKERS AND DESKS:

School desks/lockers will be assigned to students at the beginning of the year and remain the property of the school. School administration and faculty have a right, and a responsibility, to examine the contents of desks, lockers, and book bags for reasons of health, safety, and security. Students are not to change desks or lockers without permission from the teacher.

LOST AND FOUND:

Items that are found should be turned in to the school office. Found articles are kept in the school office. Parents or students are invited to come and check for lost items. Periodically these items are put on a table outside of the office for students to claim during the school day. Articles left unclaimed will be given to a charity for those less fortunate.

STUDENT HEALTH:

- The School Office personnel will administer medication, if medicine is accompanied by a written permission slip from the doctor or parent. All medication must be brought to the School Office upon arrival on the school grounds.
 - **Prescription Medications:** Without a written note from the prescribing physician, medication cannot be administered. The medication must be labeled with: (a) child's name (b) dosage (c) time of day medication is to be given (d) duration dates. Students requiring the use of an inhaler, need a note from their physician, but may keep the inhaler with them. The inhaler must be labeled with the student's name.
 - **Over the Counter Medications:** Parents wishing to administer over the counter medications are required to come into the School Office to administer the medication. A parent may also authorize the school to administer over the counter medications. A parent/guardian may send a note to the classroom teacher requesting the child be given cough drops.
- There is no problem accommodating students who must take medications over a long-term basis.
- If a student has a chronic illness, such as asthma or an allergy, this information should be on file in the School Office, and the student's teacher(s) will be notified.
- **Communicable Disease:** The school should be notified immediately if a student has a communicable disease. Students are to be excluded from attending school according to the physician's recommendation for communicable diseases. Head lice, as well as, contagious diseases such as strep throat, eye infections, skin conditions, impetigo, etc. require written release from a physician. Students cannot be readmitted to school without such a written release.
- **Fever:** If a student leaves school with a fever on any given day, the student should not return to school until the child has been fever free for twenty-four hours.
- **If your child is not feeling well, please keep them home to prevent from passing the illness to other students.**
- **By the 20th day of school, all immunizations must be on file for each student enrolled. If not, the student will be excluded from school and all activities until the immunizations are on file.**

MUSICAL PERFORMANCES:

During the course of the school year, students participate in a Christmas Program and a Spring Program. All students are required to be present for the afternoon and evening performances of each program. If a student is not present for any of these performances, their music grade will be lowered in the quarter of which the program was missed.

PARENT INVOLVEMENT:

We welcome your participation! Please remember that this is your school too, and we all share the responsibility for meeting the spiritual, academic, social, and emotional needs of the children. Please feel free to visit our school. Check with your child's teacher and see what you can do in the classroom to help. Let us know of any special interests, talents, or abilities you can share with us. **We need you!**

REPORTING CHILD ABUSE:

Indiana State law mandates school personnel to inform the Department of Child Protective Services (C.P.S.) of any suspicion of child abuse or neglect. Child neglect also includes not bringing your child to school on time and on a daily basis. If your child has unexcused absences, this may be a reason to report the information to C.P.S.

RELEASE OF STUDENT INFORMATION/ACCESS TO STUDENT INFORMATION:

The **Buckley Amendment** grants non-custodial parents the right of access to student records. Unless the school is in possession of a copy of a court order to the contrary, a non-custodial parent must be allowed to discuss a student's progress and must be given unofficial copies of the report card, if requested. Non-custodial parents wishing copies of progress reports, report cards, school letters, etc., are asked to supply the school with a self-addressed stamped envelope(s).

PARENT ACCESS TO STUDENT RECORDS: The school principal is the custodian of student records. Parents may request to review their child's records. The request should be made in writing to the principal. An appointment will be made where the principal and parents will review the student's records.

SAFE ENVIRONMENT PROGRAM: "VIRTUS"

- The Bishops' Charter for the Protection of Children and Youth, adopted in 2002, is in full effect throughout the Diocese of Gary. This program was implemented to prevent, identify, and report sexual abuse and misconduct of children. This program is called VIRTUS. All adults working with children, in any capacity, are required to be VIRTUS trained. This could include classroom volunteers, drivers, and coaches.

SCHOOL BUILDING SAFETY:

Queen of All Saints takes all cautionary measures to ensure the safety of our students. Doors are locked during school hours. To gain admittance after school is in session, the parent/visitor must ring the bell and will be admitted by the School Office upon stating their name and purpose of their visit. Students should never open the door for anyone, even if they know the visitor personally. Visitors must sign in and out at the office if they plan to stay in the school for an extended period of time.

SECLUSION and RESTRAINT:

Queen of All Saints believes a safe and healthy environment should be provided in which all children can learn, develop and participate in instructional programs that promote high levels of academic achievement. As an Indiana accredited non-public school, state law requires that our school has a Seclusion and Restraint Policy. The purpose of the plan is to insure that all students and staff are safe in school, and that students who may have behavior crises are free from inappropriate use of seclusion or restraints.

Behavioral interventions for children must ensure all children are treated with dignity and respect. This environment should allow all children to be free from physical or mental abuse, aversive behavioral interventions that compromise health and safety, and any physical seclusion or restraint imposed solely for the purposes of discipline or convenience.

Seclusion or restraint shall not be used as routine school safety measures; that is, they shall not be implemented except in situations where a child's behavior or action poses imminent danger of physical harm to self or others and not as a routine strategy implemented to address instructional problems or inappropriate behavior (e.g. disrespect, noncompliance, insubordination, out-of-seat), as a means of coercion or retaliation, or as a convenience. Any use of either seclusion or restraint shall be supervised, short in duration and used only for the purpose of de-escalating the behavior. Parents can access a full copy of our school's plan by request in the school office.

LITURGY AND PRAYER

DAILY PRAYER:

- Daily prayer is fostered throughout the school as a reflection of our Catholic faith and values.
- Each school day begins with a student-led prayer over the public address system (P.A.) to the complete school. The invocations: "Mary, Queen of All Saints, pray for us," will conclude all prayers said in school.
- Grace before and after a meal is said prior to going to the cafeteria. Classroom prayers will be said prior to dismissal each day. Formal prayers such as the Our Father, Hail Mary, Act of Contrition, and Glory Be should be among the prayers that students know. In addition to these, students have opportunities for formal and spontaneous prayer.
- When the school community pauses at the start of the school day for prayer led over the P.A., all students are expected to be attentive and reverent. Students and adults not in a class when prayer is led over the P.A. are asked to stop, become silent, and listen respectfully.

LITURGY:

All students attending Queen of All Saints School are provided the privilege of attending Holy Mass twice each school week as a class, regardless of their religious background. Parents/Guardians and family members are invited to attend and participate. Mass is expected to be attended on the weekends with their families.

ALL SCHOOL MASS:

All students attend Mass together on **Tuesday and Thursday mornings at 8:30 a.m.**

HOLY DAY OF OBLIGATION

All students will attend Mass on Holy Days of Obligation. If a Holy Day of Obligation (or a major liturgical celebration, such as Ash Wednesday) falls on a day other than when the students are scheduled to attend Mass, the Holy Day

Mass does not “substitute” for the day when students are scheduled to attend Mass.

SACRAMENTAL PREPARATION PROGRAMS:

The Director of Religious Education coordinates the Sacramental Programs for Queen of All Saints School in conjunction with the Pastor, parents, appropriate faculty member(s), as well as the Principal.

The ***Sacrament of (Penance) Reconciliation*** (First Confession) is received in second grade.

The ***Sacrament of the Holy Eucharist*** (First Holy Communion) is received in the third grade.

The ***Sacrament of Confirmation*** preparation begins in seventh grade and is received in the eighth grade.

ACADEMICS

ATHLETIC PARTICIPATION ELIGIBILITY:

All athletes, including cheerleaders, must be conscientious of their academic performance and, therefore, are required to maintain passing marks of at least the **Grade of “C”** in **scholarship**, AND **conduct the Grade of “3”, in every subject**, in order to compete. A student, who earns the grade of ‘D’ or ‘F’ in any subject for two consecutive quarters will forfeit their position on the team and any future participation for the remainder of the school year. The student must surrender all equipment to the Athletic Director immediately.

Please Note:

The last 2 quarters of academic performance of the 2014-2015 school year will determine eligibility for fall sports for the 2015-2016 school year.

ATHLETIC ACADEMIC PROBATION:

A student athlete who receives a ‘D’ or ‘F’ at the quarter marking period or progress report will be immediately placed on probation. The student must participate in tutoring. **The student athlete will not be allowed to participate in athletic competitions but may continue to practice with his/her team.** Two weeks following the quarter report or progress report the student athlete will be allowed to resume competing if they are showing academic progress in the subject(s) they were doing poorly in and continuing to maintain their ‘C’ or better grades in their other subjects.

At the start of each quarter a student athlete’s grades will be evaluated after 2 weeks. If a student is showing evidence of potential academic failure then the student will be placed on academic probation and will be evaluated every two weeks afterwards to determine if the student may resume participating in academic competitions.

HOMEWORK/ASSIGNMENTS:

Homework is a necessary supplement of regular classroom instruction and provides necessary reinforcement of the curriculum. Homework, which may take the form of reading, studying, creating, researching, problem-solving, and/or writing, will be given at all grade levels. Because students vary on the level of ability and areas of concentration, it is difficult to project a definite span of time to be spent for homework.

TUTORING:

Students encountering any academic difficulty should always seek assistance first from the classroom teacher. This extra assistance will take place during the school day as time/schedules permit. The classroom teacher can connect the student with resources at the school or outside in the community. Paid tutoring should NOT include the child’s teacher. Also, private tutoring needs to take place off campus.

PLACEMENT/RETENTION:

There are situations where a student shows marked improvement toward the end of the year and the teacher has the option of placing a student in the next grade level on a trial basis. After the first Progress Report Period if the student is doing well, he/she will remain with their present class assignment for the remainder of the academic year. If at this time the student is demonstrating academic difficulties, he/she will be returned to the previous grade level in order to enhance the necessary skills.

Sometimes, it is deemed advisable for a student to be retained at the present academic level for another year. The teacher will schedule a conference with the parent and Principal, if a student is being considered for possible retention.

PROGRESS REPORTS:

A Progress Report is issued to every student at the mid-point of the marking quarter via ***our on-line grade-book***. The Progress Report is intended to show student strengths, and possible weaknesses, prior to the official Report Card. Parents are encouraged to call, or write the teacher **whenever** they have a question concerning progress. It is not necessary to always wait for a Progress Report or Report Card. **Please check the on-line grade-book FREQUENTLY for the betterment of your child.** A paper copy of the Progress Report will be issued to the parent after the parent requests a written copy, **in writing, to the school office**. If a parent in any grade (K-8) would like a copy of a progress report at any other time during the quarter please feel free to contact the school office to request a copy or stop in and ask to use one of our computers in order to access the on-line grade-book. **Parents are welcome to use a computer in the Computer Lab anytime that school is open if you do not have access from home.**

REPORT CARD/GRADING SYSTEM:

An official Report Card is issued four times per year (approximately every nine weeks of school) and indicates student progress in academic and social areas. Parents are asked to discuss the report card carefully with their student. Questions should be referred to the student’s teacher.

This **is** an official document, and **does** become a part of the Permanent Record of the student.

This is the grading scale used at Queen of All Saints School.

Grading Scale for Grades 1 through 8:				
<u>Excellent Achievement</u>	<u>Very Good</u>	<u>Satisfactory</u>	<u>Below Average</u>	<u>Unsatisfactory</u>

A- = 93%	B- = 85%	C- = 75%	D- = 70%	

Pre-School, Pre-Kindergarten and Kindergarten will use the following 1-4 Grading Scale:

REPORT CARD HONOR ROLL STATUS:

An honor roll is made at each report card time for students in grades 4th through 8th to recognize students' accomplishments regarding academic achievement and/or significant effort.

Excellence in Conduct: Students in grades 4th through 8th earning all 4's on his/her report card in conduct.

ATTENDANCE

Regular attendance and punctuality help form life skills for work and family, which will benefit the student. The following are the guidelines for student attendance:

General Attendance

- If a student is going to be absent the parent/guardian must call the school office at (872-4420) prior to 8:45A.M., each day the student will be absent from school.
- If the student is absent due to illness, he/she is not permitted to practice, compete, perform, and attend any athletic contest or activity that day.
- When you call the school about your student's absence, you may request homework to be picked up or sent home with a sibling.
- Students accumulating 10 or more unexcused absences may risk being retained in the present grade. The Principal will handle all extenuating circumstances. Students with excessive absences that are not due to medical care, may be placed on Delayed Registration or be unable to register for the following school year if an improvement is not made.

Tardies

- When a student arrives late to school, the parent/guardian must sign them in at the school office.
- Students are to be considered tardy if he/she is not in the classroom at the 8:00 A.M. bell.
- If the student has excessive tardies, a parent conference will be requested. The child may be placed on Delayed Registration or be unable to register for the following school year if an improvement is not made.

Procedure if you do not call in an absence:

If the office has not received a phone call prior to 8:45 a.m. accounting for a student's absence, then the parent/guardian will be contacted. It is the parent/guardian's responsibility to make sure that the school has the most current daytime contact information.

VACATIONS:

Student absences prevent participation in the ongoing educational process and are, therefore, strongly discouraged when they can be avoided. All absences due to vacations will be counted towards the student's total number of absences. Parents are requested to send a note to school in advance of an anticipated absence. Missed class discussions, presentations, and collaborative activities and projects cannot be made up.

DISCIPLINE

Queen of All Saints School, in keeping with its mission of implementing a Catholic educational community, promotes respect for self, others, and the property of others at all times. Students' conduct, therefore, should be formed by Christian values. Some examples of expected behavior include – *but are not limited to* – participating fully in the Queen of All Saints School Catholic educational community, consistently engaging in the educational process, cooperating with teachers and school personnel, respecting other students, maintaining appropriate conduct during classroom and other school activities, using appropriate language when addressing school personnel and other students, caring for school and personal property, and refraining from the possession of weapons or potentially harmful (or illegal) substances of any kind.

Positive Rewards: By means of notes to parents/guardians, "You've Been Caught" helping others recognition, homework pass, and other various forms of positive reinforcement, each teacher will establish positive rewards for the students who follow the established guidelines for behavior. The entire school staff will work closely with the teachers in reinforcing positive behavior and attitudes in all of our students so that they will receive the full benefits of an effective, orderly, and consistent educational environment.

Students are expected to observe Queen of All Saints School's policies and procedures (as outlined in this handbook) as well as classroom policies and procedures (determined by faculty) and other school practices. A student's failure to observe these will result in disciplinary procedures.

Behavior that is deemed **very serious** is reported to the parents and the Principal; consequences are determined on a case-by-case basis. When appropriate, the principal may impose more serious disciplinary measures, such as suspension (*In-school suspension is an alternative to suspension from school. Students who receive an in-school suspension are assigned for the entire school day (8:00-3:00). Shortened days will NOT be honored during this in-school suspension time. Students are deprived of the sociability of their peers, but they are not deprived of an opportunity to continue their education.*), probation, and/or parental withdrawal. These disciplinary measures may be imposed, progressively or separately, as the situation warrants. Some behaviors are considered **VERY SERIOUS** and warrant immediate action including but not limited to the following:

- **BULLYING – DETERMINED BY PRINCIPAL.**
- **HARASSMENT OR INTIMIDATION OF OTHERS** such as excessive teasing, racial remarks, making threats, or physically pushing someone around to frighten another.
- **INTENTIONALLY CAUSING OR ATTEMPTING TO CAUSE PHYSICAL INJURY** or intentionally behaving in such a way as could reasonably cause physical injury to a student or school personnel.
- **DEFACING OR VANDALIZING SCHOOL OR ANOTHER'S PROPERTY.**
- **POSSESSION OF ILLEGAL SUBSTANCES OR WEAPONS** (such as alcohol, tobacco, knives, nail clippers, and handguns) OR **ENGAGING IN ILLEGAL ACTIVITY** (calling in false alarms of any nature)
- **FIGHTING** this includes "play fighting."
- **EXTORTION**
- **GANG BEHAVIOR:** Queen of All Saints School, in keeping with its mission of implementing a Catholic educational community, does not tolerate gang behavior in any form. Gang affiliation or the appearance of gang affiliation which includes, but is not limited to, expression in costume; hair styles; signs; insignias; and posters (whether in lockers, books or notebooks); graffiti; and intimidation of others – has no place at Queen of All Saints School and will result in immediate parental withdrawal or expulsion.
- **POSSESSION OF PORNOGRAPHIC MATERIAL** or exploring Internet sites with such material.

This "list" is not intended to be all-inclusive, nor is it intended to approach student behavior from a "negative" viewpoint. As mentioned throughout this handbook, Queen of All Saints School, in keeping with its mission of implementing a Catholic educational community, promotes respect for self, others, and others' property at all times . . . and therefore, expects that students' conduct will be formed by and demonstrate Christian values.

Students are encouraged to discuss their conduct progress and conduct grade regularly with their teacher. Parents are a **tremendous** source of motivation for positive student change; thus, we look to parents for support and a consistent message to students regarding the need for positive, productive behavior. We thank all parents, in advance, for assisting us in assisting you. Every attempt will be made by Queen of All Saints School to cooperate with parents/guardians in the remediation of a student's behavior.

BULLYING:

Bully behavior is not allowed at Queen of all Saints School. At Queen of All Saints School, we strive to provide a safe environment for all of our students. Our students have the right to learn without fear of threat, injury

or violence (physical harm to another person). Because we have students from grades Pre-School through grade 8, the discipline policies below may fluctuate a bit based upon the age of the student and/or because some situations may have mitigating factors, **the pastor and the principal are the final recourse in all disciplinary situations.**

DETENTION: (Formal Detention applies to grades 3-8 only.)

Detentions may be assigned by *teachers, substitute teachers, playground supervisors, or other school employees* and will be served on Wednesday (or the last day of the particular school week) from 6:45 – 7:45 AM in the classroom noted on the detention slip as a way to assist the student in realizing the serious consequences of inappropriate behavior. A detention may be issued for, **but not limited to**, such behaviors as dishonesty, academic dishonesty (*such as cheating and/or plagiarism*), disrespect to adults, disrespect to other students, disruption of class, gum or candy, profanity, consistent failure to complete assignments, violations of the Dress Code, consistent tardiness, coming to class without proper materials, consistent misbehavior on the playground or in the cafeteria.

A signature of a parent/guardian is required on the detention form. The receipt of a Detention Slip should be taken as very serious as it indicates that the student has not only tested the limits of a given rule/policy, but with warning has gone beyond. **THERE IS NO EXCUSE FOR MISSING DETENTION.** No sports event, music or dance lesson, planned activity associated with the school or not, takes precedence over detention. If the student is absent that day he/she is to make up the time the following week. If detention is deliberately missed, the detention time will be doubled.

A formal conference involving the student, parent/guardian, Principal, and teacher(s) will take place if a student receives a **fifth** detention for inability to comply with school policy. Children who do NOT show improvements may be placed on Delayed Registration or, eventually, will not be able to re-enroll for the following year.

LUNCH:

Queen of All Saints School does participate in a hot lunch program. A monthly menu is sent home via the “Brown Envelope.” Applications for free or reduced lunches are distributed to every family at the beginning of the school year and are also available in the school office. Your child has an account set up in their name that may have funds deposited into it that can cover several lunches at once. Please send all money for lunch to school in an envelope with your child’s name, grade, teacher, and amount enclosed. This can be delivered to the school office or to the teacher. Parents may bring in a forgotten lunch for their child, but it should be delivered to the school office for distribution. They should not bring extra food for other children unless it is prearranged, approved, and for the entire class. Please help us promote good nutrition and healthy choices.

TUITION/FUNDRAISING/WITHDRAWAL POLICIES

As a parochial school, the primary source of funding your child's education is tuition. In order for the school to meet its financial obligations, it is crucial that your tuition payments be made in a consistent and timely manner at your specified rate.

Delinquent Accounts

If your required tuition payments (based upon the tuition payment method selected) are not made by the due date, and if other arrangements have not been made with the Pastor of Queen of All Saints Parish, then the tuition account is said to be "delinquent". A student with a delinquent tuition account of **60 days** will not be entitled to return to school until the account is current and will be sent home.

- A) If after 1 week no further action is taken to become current your child will be removed.
- B) If after agreeing to become current and you remain delinquent your child will be removed.

All tuition and fees must be current for each semester or the student will not be allowed to return for the next semester and all report cards, student records, 8th grade transcripts and diplomas will not be given out. All outstanding tuition and fees must be paid before records are released as stated in the contract. If the tuition account for a student is delinquent at the time of annual re-registration that that student will not be allowed to register for the coming school year. For students in grades P through 7, this means that the space that would have been reserved for the student with the delinquent tuition account will not be reserved, and may be given to an incoming new student. If the parents of a student whose tuition account is delinquent finish making the required payments, or make other arrangements with the Pastor by the end of the school year, then that student may re-register for the coming year. If the parents of a student whose tuition account is delinquent do not finish making the required payments and do not make other arrangements with the Pastor by the end of the school year, then that student may not be allowed to re-enter Queen of All Saints School.

Tuition Refund Policy

Students who withdraw after August 1 and before the beginning of school will be charged one month of tuition. Students who withdraw prior to the end of the first quarter will be charged $\frac{1}{4}$ of the tuition. Students who withdraw after 1st quarter ended but prior to the end of the 2nd quarter will be charged $\frac{1}{2}$ of the tuition. Students who withdraw after 2nd quarter ended but prior to the end of the 3rd quarter will be charged $\frac{3}{4}$ of the tuition. Students who withdraw after 3rd quarter ended but prior to the end of the 4th quarter will be charged a full year of tuition. Students who leave as a result of disciplinary action will not be granted a tuition refund. Refunds of withdrawal charges and prepaid tuition are at the discretion of the administration and will not be considered until parent/guardian has signed an official notice of transfer/withdrawal.

Registration

The registration/re-registration fee of \$25.00/per student is due at time of registration. The registration/re-registration fee is non-refundable.
