

Good Afternoon,

**Time change –**

Please remember to set your clocks back one hour before going to bed Saturday night at Daylight Saving time ends. This is also a good time to change the batteries in your smoke detectors and carbon monoxide detectors and to sweep out both detectors.

**Dressing for the weather –**

Students are not to wear boots of any kind during the school day. They can be worn at recess and upon coming into or dismissing from school each day.

Students will be going out as long as it is not raining or snowing. If it is below 32 degrees including wind chill the students will also not go outside. Please make sure that your child brings to school the appropriate outerwear for the weather.

**Delays and Cancellations –**

Queen of All Saints School posts on WEFM, WSBT, and WNDU any delays and cancellations of school. I am also willing to text anyone as soon as I know of a delay or cancellation. Please email me your cell phone number and I will add you to the group of school families in my phone. If you received text messages from me last year you are still in my phone unless you have changed your number.

Please remember that if school is delayed we are able to provide supervision to students that need to still be dropped off at 7:30 in order to allow the parents to keep their work commitments.
